Credit Union Day Thursday, October 21, 2010

Right in your neighborhood, there's a place that improves people's lives without taking profits- your credit union.

It's a place you trust with your hard-earned money, knowing it's insured to at least \$250,000.00. That's important, given the recent banking crisis. Best of all, your credit union is here to serve YOU! As a not-for-profit financial cooperative, your credit union is owned by members, just like you. It's a fact. About 70% of credit union members recently surveyed felt their credit union put their interest first.* We at GP Louisiana FCU would like to say "thank you" for choosing to be a member of the credit union.

It's members like you that make our credit union successful. On Thursday, stop by any location for refreshments and a souvenir. Again, thank you for choosing GP Louisiana FCU!
