## PROTECTING YOUR CREDIT AND DEBIT CARD

Download the SECURLOCK EQUIP APP on your iPhone or Android phone and track your purchases on your credit or debit card. Once you download the app and follow the instructions, you will begin receiving notifications when your credit/debit card is used. Within the App you have the ability to turn your card/s off and back on at your convenience. With our new SecurLock Equip technology you will know instantly if your credit or debit card has been compromised.

Download the App today to monitor your transactions.

APFCU belongs to the **Credit Union Service Center Network** to provide you more locations to access your account. When visiting a service center location have a valid ID and your APFCU account number.
